1.	<p>AAB BALGA, Jozef Systém schengenského acquis / The Schengen acquis system / Jozef Balga. - 1st ed. - Bratislava: VEDA, publishing house of the Slovak Academy of Sciences, 2009. - 221 p. - ISBN 978-80-224-1058-8. Sign.: F 16604 [BALGA, Jozef]</p> <p>In the subject scientific monograph, the author elaborated the historical development of the Schengen acquis. He elaborated the systematics of the Schengen acquis in an innovative way. He theoretically justified the basic starting points of the examination of the Schengen acquis. He pointed out the importance of understanding the application part of the acquis for the activities of the police and security services of the member states of the European Union, which are responsible for solving problems related to the foreign regime. The exclusivity of the scientific monograph lies in the complex and unique treatment of theoretical and application problems of the Schengen acquis.</p> <p>According to the criteria of the Scientific Council of the Police Academy in Bratislava, which determine the segmentation of outputs, this is a scientific monograph that has an objective meaning in several countries, not only in the same region, which is why the author allowed himself to include this output in the A+ category.</p> <p>AAB MARCZYOVÁ, Klaudia Voľby do Národnej rady Slovenskej republiky (ako prostriedok demokracie)/Elections to the National Council of the Slovak Republic (as Means of Democracy)/Klaudia Marczyová. 1<sup>st</sup> edition. 2.	<p>AAB BALGA, Jozef Cudzinec ako personálny substrát štátu / The foreigner as a personnel substrate of the state / Jozef Balga. - 1<sup>st</sup> edition. Bratislava: Academy of the Police Force in Bratislava, 2002. - 178 p. - ISBN 80-8054-234-X. Sign.: F 13308 [BALGA, Jozef]</p> <p>In his scientific monograph, the author interpreted the theoretical basis of understanding the foreigner as an inseparable subject of the population of the state. He pointed out the importance of observing the basic human rights and freedoms of foreigners. From the point of view of the application of legal norms regulating the stay of a foreigner on the territory of the state, the author emphasized and characterized the basic principles of the activities of state bodies and institutions competent in this area. At the same time, he emphasized the sanctioning system implemented by state authorities and institutions in case of breach of obligations by foreigners. The peculiarity of the treated issue is that the said issue has not been comprehensively treated in Slovak or Czech professional literature.</p> <p>According to the criteria of the Scientific Council of the Police Academy in Bratislava, which determine the segmentation of outputs, this is a scientific monograph that has an objective meaning in several countries, not only in the same region, which is why the author allowed himself to include this output in the A+ category.</p>		
3.	<p>AAB BALGA, Jozef Polícia, etika a právo / Police, ethics and law / Jozef Balga. - 1<sup>st</sup> edition. Sign.: F 10936 [BALGA, Jozef (100%)]</p> <p>In his scientific monograph, the author elaborated the relationship of the police to professional ethics and the relationship of law to the application of ethical principles stated in legal norms. He pointed out the importance of developing ethical codes for police officers and checking compliance with these codes. The author emphasized the current role of morality and ethics in the activities of police officers. At the same time, in an</p>		

	<p>original way, in the form of an appendix, he developed a draft of the ethical code of the police based on the deontological code of the French police.</p> <p>According to the criteria of the Scientific Council of the Police Academy in Bratislava determining the segmentation of outputs, this is a scientific monograph that has objective significance in several countries of the same region, which is why the author allowed himself to include this output in category A.</p>

In: Police report [print] / author. Juraj Ďorko, rec. Peter Škultéty, rec. Soňa Skulová. - Pilsen : Vydavateľstvi a nakladateľstvi Aleš Čeněk, 2018. - ISBN 978-80-7380-733-7. - P. 9-19.  Sign.: F 19666  [BALGA, Jozef (100%)]</p> <p>In his scientific part of the monograph, the author elaborated in a complex form the system of police administration as an inseparable part of public administration. He divided the system of police administration into a theoretical and an application part. He established the basic elements of the theory of police administration and divided the subjects based on the newly established criteria. In doing so, he created a new system of police administration and scientifically substantiated the established starting points for the examination of said administration. At the same time, he characterized other possibilities of scientific investigation of the police report.</p> <p>According to the criteria of the Scientific Council of the Police Academy in Bratislava, which determine the segmentation of outputs, this is a scientific monograph that has an objective meaning in several countries, not only in the same region, which is why the author allowed himself to classify this output in the A + category.</p>
